## The President's Corner

by Gary Stofer

You are probably painfully aware that there is an election in a couple of weeks and as usual, nothing much will change. Regardless of the results, things will pretty much go on as usual. I'm talking about River City Beemers here, not Arnold's special. All of the club officers have agreed to another term since no one seems to want these positions. Hennie and Lois are in for another 2 years and an old friend, Joe Meyers, is returning as a director. If any of you reading this are interested in an officer/director position, please contact me before the November meeting.

Last month's 5 passes ride had a lot of riders participating and we were treated to a spectacular display of fall colors at Sorensen's and Monitor Pass. The colors are at their peak for about 1 week each year. Larry Morris and Ken Caruthers carefully crafted the seasons so that we had the best viewing. Thanks, guys. I hope for a repeat performance next year. You are going to organize the ride again, right?

Speaking of organizing, our annual Planning Meeting will take place at

the Wright's home in Newcastle on Sunday, November 13, 4:00 PM. Give him a heads up if you will be coming so that he can have enough supplies/refreshments on hand. Please consider stepping up to the plate this year and helping to organize or run an event. There is usually no shortage of ideas and suggestions but sometimes volunteers are difficult to find. I hope to see some new faces around the planning table this year.

At the November general membership meeting we will have a guest speaker from the Sacramento Children's Receiving Home. We're organizing an RCB toy run again this year to benefit the kids. There will be a collection box at A&S and the event is scheduled the same day as our RCB Christmas Party which is Saturday December 3. I hope a lot of you will find time for these events during the busy holiday season. See the details elsewhere in this newsletter. The last opportunity to return your BMWMOA mileage contest form to Mike Paetzold will be at the November membership meeting. After that, you're on your own. This is your opportunity to prove that you:

# RCB Holiday Gift Run

provide the starting location for our event as well as collection box in their showroom. We will meet up at A&S after breakfast on Saturday, December 3rd and depart for the CRH at 10:00.

If you're looking for suggestions about potential gifts, there is some excellent information about items and charitable donations at:

<http://www.crhkids.org/wishlist.htm>  
and

[http://www.crhkids.org/holiday\\_angel.htm](http://www.crhkids.org/holiday_angel.htm)

Don't forget that your contributions to the CRH are tax deductible and support a great cause--so dig deep!!!

The RCB Gift Run benefiting the Sacramento Children's Receiving Home is a go!

The CRH takes in children between the ages of 2 and 17 who have been abused, molested, neglected or abandoned and provides them with emergency temporary shelter and care. They help several hundred children each month--and the number is growing. Additional information is also available at their website: <http://www.crhkids.org>.

The CRH Charitable Donations Coordinator, Claire Spear will be giving a brief presentation at our November membership meeting. We are also working out details of a tour of the facility at the end of the Run for folks interested in seeing what they do first hand.

A&S BMW has graciously agreed to

We're still looking for stores, restaurants, etc. that would be willing to offer discounts for purchases made in conjunction with this event. If you know of one, or have any other questions, please contact Bryan or Marji Wright ([bryan@skwerly.com](mailto:bryan@skwerly.com)).

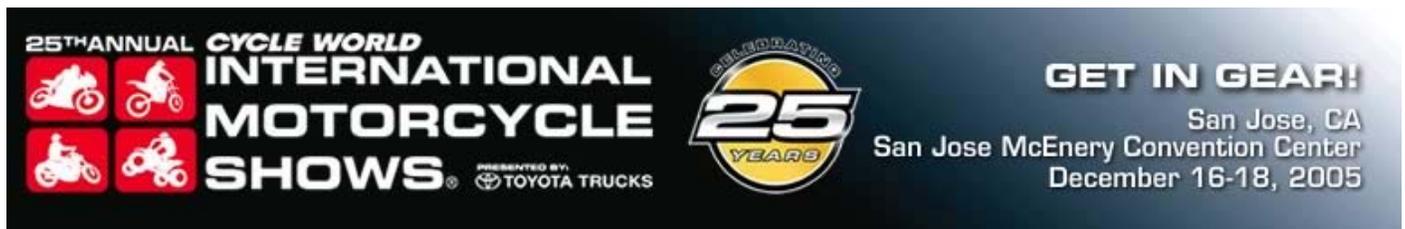

# Get Ready for 2006

The annual RCB Planning Meeting will be held at Bryan & Marji Wright's house on Sunday November 13th. We will be developing the calendar of events for 2006. All members are welcome! Please come with suggestions for events! If you volunteer to sponsor or lead an event in 2006, rumor has it that the club will feed you pizza, snacks and beverages at the Planning Meeting! Remember, most events take a minimum of planning and effort, so you get quite a

deal for your pizza.

The meeting will start at 4:00 PM and continue until we're finished with the calendar or run out of pizza. If you need directions, please contact Bryan Wright (bryan@skwerly.com).

## Eddie's Corner

By Kim Rydalch, newsletter editor

England's "RIDE" magazine survey's their readership for the "Best Of" towards the end of each calendar year. There were 11,000 responses to RIDE's survey and BMW did quite well in the real world.

RIDE magazine surveyed various categories of Motorcycles, riding accessories, or KIT as they say in the UK, plus best dealers and meeting places. I knew you'd be interested so here are the important results.

In the Sport-tourer category the Triumph Sprint ST was the winner. Out of 32 listed sport-tourers here are the BMW rankings. #2, K1200S; #9, R1100RS; #10, R1150RS; #16, R1100S; #20, K100/K1100 series; #21, K1200RS; #31, K75 series.

In the Budget Commuter category the winner was the Yamaha FZ 6. Out of the 26 listed motorcycles two BMW's were ranked. #7, F650 2000-now; #18, F650 1994-1999.

In the Full Touring category the older Honda ST 1100 won and out of the eight contenders BMW took three places. #5, K1200LT; #6 R1100RT; #7, R1150RT.

In the Street Bike or naked category the winner was the Aprilia Tuono. Out of the 25 contenders the R1150R won second place.

In the Trailie or Dual Purpose category the R1150GS Adventure won and out of the 10 contenders BMW took four places. #2, R1200GS; #3, R1150GS; #6, R1100GS.

When all the bikes were thrown together the Rider Power 2005 survey lists the 171 bikes as the following... The winner was the Kawasaki ZX-10R; #5, R1150GS Adventure; #10, K1200S; #18, R1200GS; #31, R1150GS; #36, R1150R; #39, K1200LT; #49, R1100RT; #50, R1100RS; #51, R1150RS; #58, R1100GS; #72, R1100S; #75, R1150RT; #93, K100/K1100 (all); #122, F650 (2000-present); #156, K75 (all); #158, F650 (1994-1999).

In the Textile clothing category Aerostich was the winner and out of 47 contenders BMW clothing was third. The amazing thing about Aerostich winning is that there is no UK distributor. All Aerostich clothing must be ordered direct from the USA and shipping adds another \$90 to the price. That shows just how good the Aerostich reputation is in the UK!

In the Tire category Pirelli rules! Metzeler is practically non-existent. The Pirelli Diablo Corsa was the most lusted after tire.

BMW dealerships rule the UK! In Southwest Wales a BMW dealer was #1. In Northwest Wales the BMW dealer was #1. In Scotland the BMW dealer was #2 while a Suzuki dealer made #1. In North East England the BMW dealer was #1. In South East England the BMW dealers were ranked numbers 3, 4, 6, and 10 out of 21. In the Midlands area the BMW dealerships were ranked numbers 2 and 6, out of 18.

# IRENE'S CAFÉ

By John G. Sulpizio

After a night of chilly camping at the fairgrounds of Trinity County in Hayfork, California, I was looking for a hot cup of coffee and something good to eat. At 7 AM there's only one choice, and fortunate for me, it was a good one, Irene's Café. Located in the middle of town on Highway 3, it offered an array of choice including 4 (yes four) egg omelettes. Other menu items abounded.

The food was good, but the history was even better. The building goes back to the turn of the century when it was moved from nearby Harrison Gulch to town, thereafter serving as a doctor's office and an office of the Forest Service. In 1919 it was used as the Hayfork High School, and served the town well into the 30's. Over the years it served as a residence, a library, the offices of the Red Cross, a telephone

exchange, a card room, bar, and a courtroom. How's that for a segue?

The location gets its name from Irene Applegate who remodeled the building in 1955 as a café. She ran it until 1978 with her husband Jack, then Dick and Darlene Herrick took over. Late in the 80's the Hair family assumed the helm (or should I say range), and now Craig and Roz are keeping alive the long-standing tradition of home cooking and country atmosphere.

The roads that crisscross Trinity County provide some of the best riding in all of California, and many are not far from Hayfork. When there, don't miss Irene's Café, a family-owned, down home, get it at the counter or sit in a booth, restaurant that riders are always looking for. Do something different. Go to Hayfork for breakfast or lunch.

Ride Safe. Eat well.
