Meet 5-6, Leave at 6:30

President's Corner by Gordy Olson, RCBPREZ

It's official! The presidential campaign season is in full swing. The Republicans have nominated Donald Trump. The Democrats have nominated Hillary Clinton. Now the nation awaits what is perhaps the most important nomination of all – the one for the presidency of the River City Beemers! But seriously, folks.....only five months remain in my Reign of Terror. I have to believe that the club membership must be getting tired of me by now and be looking forward to a fresh face ringing that damned cowbell every month. It is really time to start thinking about which of us will assume the handlebars of power on January 1, 2017. If the country can select a new leader, then we can too. Think about throwing your helmet into the ring. Failing that, throw someone else's helmet in!!

Being RCBPREZ comes with a number of significant perks: (1) personalized RCBREZ license plate; (2) free coffee at A&S; (3) exclusive access to the colored chalk for the A&S events blackboard; (4) free raffle ticket (with RCB president badge) each month; (5) your name engraved on the President's Plaque at A&S; and finally, the almost worshipful adoration of all (or at least some) of the club's members.

Being RCBPREZ actually involves less work than one might think. The Prez is very ably assisted by the Board of Directors. Chairing the monthly meetings is pretty easy. Ken (and others) do all the heavy lifting on the monthly rides. Karl handles all the financial business and Angel has the other recordkeeping completely under control. Most importantly, volunteer positions like this one look very impressive on college applications and may make the difference between being accepted at Berkeley or ending up at Trump University!!

The official nomination season will continue up until the election of officers and

August 2016

directors at the club meeting on November 5. That means the RCB will select its leaders three days before the country as a whole selects its. As always, RCB is leading the way, accelerating ahead of the masses, knees dragging!!

This month, we renew one of our treasured traditions – the annual Ride ‘n’ Bowl trip to Yerington, NV. I checked both with Siri and on Google -- RCB is the ONLY organization worldwide that characterizes Yerington as a “destination resort”. Once again, RCB leads the way. It is only a matter of time before the rest of the

riding (and non-riding) community catches on and Yerington displaces Las Vegas as the leading gaming city in the state. Who knows, this could be the last year that we (in our ever-so-stylish bowling shirts) will have the town to ourselves.

On August 20, A&S is teaming up with the BMWMOA to celebrate the 100th anniversary of BMW. In addition to the A&S Vintage Bike Show, MOA is chipping in raffle prizes, MOW swag, and money for food and refreshments. More details will follow as the event nears, but SAVE THE DATE!!

Ride cool (if you can)!
Cheers,
Gordy

Membership Report - 170 members

Old Business

- **Payment Processing** - The new Paypal card reader was put into service at the July monthly meeting with a couple of RCB'ers successfully paying their annual membership dues. To note:
 - When membership and event payments are collected via the card reader, the payment collector needs to forward the name(s) to the membership director.
 - When event payments are collected via the card reader, the payment collector needs to maintain list of who paid.
- **Membership - Tri-fold Brochures** - On behalf of Karl, Gordy distributed sample copies of tri-fold brochures for use in growing our RCB membership. Board members to review and provide feedback at the next meeting.
- **Ride / Event Sign-up** - In lieu of the Board's decision in May to establish a "pre-ride gathering" for our monthly rides and events (i.e. review routes, determine leads/sweeps, collect names of participants), Angel to put together a sign-up sheet for the Board's review.

New Business

- **Website review** - To ensure the RCB website is up-to-date, Board members to review the site and provide feedback. One update noted ... Marv to be added Directors list.
- **Succession plan for departing Officers/Directors** - Rand commented that it's none too early to begin reaching out to the membership-at-large to gather names of those who may be interested in volunteering as an officer/director in 2017.

Monthly Activity & Overview

- Our issue with PayPal and authorized signers is now resolved and it appears that PayPal removed Phil Wood as the primary account holder and the account now shows me as the primary. PayPal initially said Phil would have to stay because he opened and started the account. I think the mountain of documentation I submitted convinced them to change their mind.
- We have received the free PayPal card reader and will begin using it at the July meeting to collect dues.
- Our charter renewal with BMW Rider Association has been cleared and we are good until February.
- Received the new insurance cards for the trailer and presented them to the keeper of the trailer at the July meeting

CLUB EVENTS

2016 Yerington Ride N Bowl coming Saturday, August 6th

Good news for all of you Extreme Bowlers and Riders out there. The 17th annual Ride N Bowl will be Saturday, August 6th at the famous Yerington Inn and the bowling will be at the Pioneer Crossing Casino (formerly Casino West). The bowling will begin at 5 pm and end at 7 pm. The easiest and most fun way to get to Yerington is tag along with the club's ride to either Genoa, NV or Markleeville, CA deli for lunch after the Club meeting. The lunch stop will be determined by the ride leader before departing from the club breakfast at Susie's. We will then stop for lunch at the local deli and then continue on with the group ride to the Yerington Inn.

The Yerington Inn will hold rooms until July 25th for the River City Beemers. There is a baseball tournament that same August 6th weekend so the rooms will be sold out after July 25th. So don't delay making your reservation. To make your reservation at the Yerington Inn call only this number, "775-463-5310". Mention to the reservation clerk that you are attending the "River City Beemers" event on Saturday, August 6th. By mentioning "River City Beemers" you will get the discount rate of \$69 plus tax for the room.

Don't forget to bring your RCB bowling shirt for the group photo. If this will be your first time and you

have more questions call or email me and I will be happy to answer them! The ride to Yerington is always scenic and fun because of all the twisty roads crossing over the Sierra Nevada mountain range.

See you there.

Windjammer Fairing and Trunk

03/15/2016

For Sale
Black Fairing includes windshield and has two side pockets. It's in pretty good condition with a few bumps and bruises. I don't know if I can find the mounting brackets, but you might find them on line. The trunk is a top box by Bates and has a small back rest, but the latches are gone. I'm asking \$100 for the fairing and \$25 for the trunk.
