11th Annual Whale of a Tour B&B ride in March

By Greg Peart

March 9, 10 & 11,
Friday/Saturday/Sunday,
2018

Greg & Cyndee Peart have hosted the first big RCB ride of the year now for 11 years. Destination has always been the beautiful Sea Gull Inn bed & breakfast in Mendocino. This tour was conceived 11 years ago during a Manchester beach campout to be a couple's tour, rain or shine, non-campout & a first RCB tour ride of the year. As always, we plan to stay with Jim and Ayla Douglas at the Sea Gull Inn of Mendocino. The rooms

are blocked off, so reservations must be made by calling: The Sea Gull Inn at: [888-937-5204](tel:888-937-5204). Let them know you are with the River City Beemers and you will receive 15% off the standard weekend rate, there is a 2 night minimum stay for this event. Your first night rate will be charged as a deposit when the reservation is made and the balance required at check-in. If we exceed the Inns 9 room limit, Jim or Ayla will assist you in obtaining lodging close by in town. We have never needed more than 9 rooms so far. As in past events, this will be a very easy going weekend. Activities depend on the weather, size & wishes of the group. The inn is a beautiful place to just chill. Mendocino is a historic district, small coastal town that is just wonderful to stroll about, watch the migrating whales, shop, and just relax. This tour is designed for couples & is a hit with

the ladies. Need I mention the fabulous breakfast delivered to your room each morning? As in past years we will again enjoy a group cocktail party at the Inn each night prior to departing for dinner.

The Plan: Check out The Sea Gull INN at: www.seagullbb.com, then call 888-937-5204 to make your Own Reservation. Then, Call Greg Peart 916-870-7841 & leave contact # or email him at:

XFIL911@comcast.net that you are going with us. Cutoff date for reservations will be: 8PM, Thursday, February 15, 2018. On Friday, March 9th, meet at 8 AM (if you want breakfast) or 9 AM wheels up/full tank at the **EPPIES Restaurant** in West Sac. Take West Capitol off ramp from W/B I-80 (at the east end of the Yolo causeway). Make a left turn at end of ramp and go under the I-80 overcrossing. Turn right at

the 2nd right turn onto Lake Rd. The EPPIES is behind the Subway Sandwich shop 1st left driveway on Lake Rd. Signs are hard to see. Greg's cell phone: 916-870-7841. This is a rain or shine event, cars welcome if needed for any reason.

River City
Beemers

Minutes of the Board of
Director's Meeting

Board Meeting Minutes for:

River City Beemers

January 9, 2018

Members Present: Carl Weiland, Scott Moseman, Ray Nugit, Marv Lewis, Rand Olson, Gordy Olson, Mike Robles, Bob Raster

The meeting was brought to order at 7.04 by VP Mike Robles

The first order of business was that Larry Klein, our Webmaster has a blood clot that will not allow him to perform his duties as Webmaster for a while. Bob suggested that we hire a professional to do it for a while until we can ascertain whether or not Larry will be able to resume his work on the website. Carl has a friend that has the skills to do it and if we couldn't find a replacement he would ask his friend to fill in. Carl's friend, Jeff Whitford may fill in temporarily. Ray Nugit mentioned that if the website is ready, it would be fairly simple to get Wild Apricot going. Apparently some of the features apparently won't transfer to the new Wild Apricot. Carl mentioned and it was agreed that the website is vital to attract new members. Membership maybe required to acquire the ride route downloads and other information found on the website. Ride connections are very important to people wanting to connect with River City Beemers. Carl is going to contact Larry to see how he's doing. Speedy recovery Larry, we need you!!

Carl said that we have about \$6,400 in the bank at present.

February 2018

Tech Day-Mike has a tire to practice plugging on. Apparently there's a video on Von Badden that will show us how to check and adjust the valves on the newer bikes that could be used on Tech Day. Bob Raster mentioned that however good the video is it will not teach the "feel" part of handling a feeler gauge. A oil drain on the transmission and final drive was mentioned as a possibility for Tech Day activity as well as clearing the fault codes with the 9-11.

There was talk of a Paramedic class to be put on but Phil Chalinor who has done them in the past is no longer in the club. Greg Perth was mentioned as a possibility. We talked about where to hold it.

Ray Nugit spoke on his feeling of using Web based programs like Instagram, SnapChat, and Face Book to attract new members. Our club is getting older and grayer and we need new members with new ideas. Ray commented on the importance of communicating properly with younger people. Referring to Facebook he thinks that it's "peeking out" and there may be some other programs that might be better. Facebook needs to be refreshed frequently to be kept up to date.

The meeting was adjourned at 8:05. Respectfully submitted: Rand Olson

February 2018

What's better, after breakfast, than a spirited ride through the beautiful NorCal roads we've been blessed with? Except for special events, the rides are generally 2-3 hours in length, cover 100-200 miles, and end with a lunch at some destination. The rides are generally "spirited" but if we get enough participation, we generally add a second, more relaxed-pace group. Clutch out is 9:00AM or when the monthly meeting ends, whichever is later, and ride sheets are usually distributed prior to departure. Please show up with a full tank of gas.

Check the forum for details of the ride.

Here is a link from our northern club representative Tom Moe. Take a look and see what Montana has to offer. <https://mtbmwriders.org/Newsletters.html>

As always if anyone has something that would like published, travel report, pictures of events, how to articles, etc. Please send them and I will get them published.

Please Check the Forum often to stay updated on club functions and events.
